Pursuant to 37 C.F.R. § 1.56, it is respectfully requested that the references listed on the attached form be considered in the examination of the above-identified patent application. Copies of the references are enclosed. Consideration of the listed references in the examination of the present patent application is respectfully requested.

This submission is in no way intended as an admission that the listed references constitute prior art under any subsection of 35 U.S.C. § 102. The Applicants expressly retain the right to take any actions necessary to remove the listed references from the available prior art.

The Applicants note that the enclosed references include deposition transcripts and exhibits used during the depositions. However, exhibits used during the depositions that have been designated as "Confidential" pursuant to a protective order are not enclosed. Pending the approval of the parties who produced these "Confidential" exhibits, these exhibits will be submitted in a subsequent information disclosure statement.

The Applicants note that some of the enclosed references bear exhibit labels and/or Bates numbers (e.g., "NEU005714"). These exhibit labels and/or Bates numbers do not appear in the original versions of the references. Rather, they were added during litigation.

Pursuant to 37 C.F.R. § 1.97(c), the fee for this information disclosure statement is \$180. The Commissioner is authorized to charge this fee, and any other necessary fees in connection with this statement, to Deposit Account 13-0017.

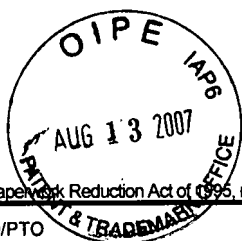

Respectfully submitted,
